

Compass Rose Educational Partnership

Teacher Professional Development ~ Student Enrichment Programs

Game UP! Using Gaming Strategies to Increase Student Engagement

For 6-12 Teachers

About This Workshop:

Kids love games--they enjoy the competition, the creativity, and the action! When designed intentionally and with a student-centered approach, game-based learning motivates even the most reluctant learners.

(Based on the IST Standards,).

This is an onsite teacher professional development experience.

Course Goals:

- Teachers in this workshop will learn to collaborate with colleagues around teaching tools for immediate use in classrooms.
- Includes the development of activities, lesson plans, and assessments that spark student interest.
- Delivered on location at your school!
- Full and half-day options available.
- Builds upon a growth mindset to bolster student achievement.
- May be tailored to suit departmental, school, and district goals.
- PDPs offered for recertification.

Compass Rose is vetted through DESE to award PDPs to participants. Graduate credits may also be awarded through our partner universities.

Contact us for more information or to schedule a consultation.

We build the program to suit your needs!
