ON SITE TEACHER PROFESSIONAL DEVELOPMENT WORKSHOP

### **About This Workshop:**

This engaging workshop helps educators discover ways to incorporate SEL strategies into their instructional practice, helping students to better cope with difficulties, self-advocate, and support one another in the classroom setting. (Based on the CASEL 5 competency standards).

*This is an onsite teacher professional development experience.*

### **Course Goals:**

- Teachers in this workshop will learn to collaborate with colleagues around teaching tools for immediate use in classrooms.
- Includes the development of activities, lesson plans, and assessments that spark student interest.
- Delivered on location at your school!
- Full and half day options available.
- Builds upon a growth mindset to bolster student achievement.
- May be tailored to suit departmental, school, and district goals.
- PDPs offered for recertification.

Compass Rose is vetted through DESE to award PDPs to participants. Graduate credits may also be awarded through our partner universities.
