

Compass Rose Educational Partnership

Teacher Professional Development ~ Student Enrichment Programs

Teaching World Language Through Virtual, Cultural Exchanges

For 6-12 Teachers

About This Workshop:

This amazing workshop provides Spanish teachers the opportunity to partner with educators from Colombia to develop student cultural exchanges via Zoom. Students use the target language in oral, written, and "live" communication sessions with international students. **Think pen pals going global and virtual!** (Based on the Massachusetts World Language Standards).

This is an onsite teacher professional development experience.

Course Goals:

- Teachers in this workshop will learn to collaborate with colleagues around teaching tools for immediate use in classrooms.
- Includes the development of activities, lesson plans, and assessments that spark student interest.
- Delivered on location at your school!
- Full and half day options available.
- Builds upon a growth mindset to bolster student achievement.
- May be tailored to suit departmental, school, and district goals.
- PDPs offered for recertification.

Compass Rose is vetted through DESE to award PDPs to participants. Graduate credits may also be awarded through our partner universities. Contact us for more information or to schedule a consultation.
We build the program to suit your needs!
